

CALPIA Century System Fabric Pattern, Grade and Pricing Addendum Effective 5/1/11

CALPIA has added two new fabric grades with the launch of the new fabric selections. As of 5/1/11, fabrics identified as B, C, or D still remain at the same cost effective price. Fabrics identified as A and E are reflected at the below price.

The below pricing is for all fabric components within the Century System product line. All other prices or fabric grades are void.

List prices and discounts are subject to change without prior notice. Applicable prices are those prices in effect at the time of receipt of order or those established by awarded contract or bid.

Fabric patterns available, grades, and recommended new patterns from prior patterns

Prior Patterns	Prior Grades	Recommended New Pattern	New Pattern Grades	Additional Alternative Recommendations	New Pattern Grades
Highlights	B	Belgrade	C		
Gillette	B	Gillette	D	Universe	B
