Madison
Contemporary Styling  ■ Unmatched Comfort

Modern Design
Offering all the style and grace of fine office seating with the refreshing benefits that are only available with Madison ergonomic features. Wrapped in a double layer mesh fabric that offers the ultimate in support and breathability.

Comfort
Enhanced by soft, padded arms, adjustable lumbar support and synchronized tilt mechanism. Built-in adjustability offers every user a number of positions to ensure an ergonomically sound position throughout the day.

Headrest
Optional headrest support can be positioned and adjusted to offer all users optimum comfort.

Back Support
Mesh back design provides comfort, breathability and durability all surrounded by a reinforced back structure.

Lumbar Support
The lumbar pad is built into the chair frame back structure for added durability. Lumbar pad can be adjusted easily from seated position.

For more information visit our online catalog at: calpia.ca.gov
or contact CALPIA Sales at: 916.323.2419

Die Cast Aluminum Base
Offers built-in anti-slip/scuff protectors.

Casters
Durable dual wheel carpet casters allow the Madison to move with ease.

Back Adjustment
Locks at desired angle. Reclines to chosen position. Pull up on lever. To resume free float, push down on lever.

Optional Headrest
Attaches securely to the top of the chair back and can be positioned and adjusted for user's comfort.

Armrest Adjustment
Polypropylene adjustable arm provides six separate adjustments throughout a 2.75” range.

Mechanism Control
Knee tilt mechanism (approximate 2:1 back to seat ratio) with a five position back lock. Tilt tension knob to adjust back flex. Pneumatic seat height adjustment with 3” range. Back reclines 16 degrees; back 26 degrees.

Positioning Levers
Lock chair in 5 different positions throughout the tilt range.

Tilt Tension Knob
Easily adjusts back tension.

Optional Soft Casters for Hard Floor Surfaces
Minimizes slippage on hard flooring. Soft casters can be installed before delivery if chairs and casters are ordered at the same time.

See website for Recycled Content Certificate.
