Strata

stackable guest seating

Poly Body

Black Light Tone

Item #726200 Item #726201

With Strata simple becomes smart and stylish. This multipurpose chair is ideal guest seating for cafeterias, auditoriums, reception areas, and more. The armless design with subtle curves offers superior comfort while maintaining a sleek silhouette

The Strata seating line isn’t just easy on the eyes; it’s easy on the environment. Strata’s steel and polypropylene components contain recycled content and are recyclable at the end of the furniture’s life.

With functionality in mind, these chairs are light on their feet and maneuverable during reconfigurations in a variety of spaces.
